 **Habitat for Humanity**[®]
North Central Georgia

Building strength, stability, and self-reliance through shelter.

Sponsorship Levels

Habitat-North Central Georgia is a nonprofit, Christian affordable housing ministry that builds affordable homes for purchase and performs critical home repairs for hardworking, low-income families in North Fulton, Forsyth, Cherokee, and Dawson Counties. Habitat keeps costs low for families by using volunteer labor and offering interest-free mortgages

Habitat-NCG programs are open to all people, regardless of race, religion, color, or creed.

House Sponsorships

House sponsorships help defray the costs of land acquisition, development, and house construction. A full house sponsorship is \$140,000, but most house sponsors fund a partial sponsorship, starting at \$5,000.

House sponsors usually provide teams of volunteers. Each Habitat-NCG build takes 12-14 weeks, 10 of which require volunteers. Most sponsors prefer Saturday build days, but some weekday volunteer days are available.

Home Repair Program Sponsorships

Our Home Repair Program assists income-eligible seniors, veterans, and disabled non-Habitat homeowners. We perform repairs ranging from exterior repairs such as siding replacement, painting, and landscape clean-up to critical repairs such as HVAC, roof, window, and deck replacement. Sponsorship opportunities starting at \$1,000 are available. Volunteer opportunities are available during the week and on Saturdays. Some projects do not allow volunteers due to the scope of work.

Building strength, stability, self-reliance and shelter.

Master Builder Sponsor—\$140,000+

Multi-house sponsorship with the opportunity to bring up to 20 volunteers every volunteer build day on one or more build sites. Exclusive sponsorship recognition.

Opportunity to bring up to 10-15 volunteers on 1 build day

Home Repair Sponsor—\$1,000—\$25,000

Opportunity to bring 5-15 volunteers on at least 1-3 repair build day.

Sponsorship Expectations

- Donate sponsorship funds at least 30 days prior to the First Nail Ceremony.
- Ensure that volunteers register & complete a Volunteer Release & Waiver prior to the build day.
- Provide a primary contact to serve as a liaison with Habitat-NCG.
- Provide the agreed number of volunteers each designated build day.
- Provide lunches & water for the sponsors' volunteers, Habitat- NCG staff, & partner family.
- Follow all safety rules and all instructions on the build site.

Our Vision

A world where everyone has a decent place to live.

Our Mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities, and hope.

Sponsorship Benefits

- For businesses, build days offer a unique team-building experience. Volunteers work side-by-side with each other and our homeowners; they enjoy the satisfaction of directly knowing whom they helped.
- For faith sponsors and civic organizations, build days provide an opportunity for rewarding community outreach. Volunteers relish the experience of sharing in your commitment to improve our local communities.

Facts about Habitat for Humanity-North Central Georgia

Habitat-NCG, an affiliate of Habitat for Humanity, International, is an independent, locally run organization that is responsible for its own funding, family selection and education, land acquisition and development, home construction, and mortgage origination and servicing. We have served approximately 1600 family members, including over 800 children, through building or rehabilitating over 330 homes and performing repairs on more than 110 homes for low-income older adults, veterans, and disabled adults.
