

It is the policy of Habitat-NCG to conduct its fundraising activities, including solicitation of donors, with integrity and, when applicable, in accordance with the policies of Habitat for Humanity International. Accordingly, the ministry will designate and use donations in accordance with the expressed desires and intent of the donor (e.g., house sponsorships, home repairs, land acquisition, family services, annual appeals, campaign initiatives, operational expenses). Undesignated gifts will be used for the ministry's general operating expenses at the discretion of the affiliate's management.
