

# every sponsor

helps build a brighter future for a family.

## Our Vision

A world where everyone has a decent place to live.

## Our Mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities, and hope.

## Sponsorship Benefits

- For businesses, build days offer a unique team-building experience. Volunteers work side-by-side with each other and our homeowners; they enjoy the satisfaction of directly knowing whom they helped.
- For faith sponsors and civic organizations, build days provide an opportunity for rewarding community outreach. Volunteers relish the experience of sharing in your commitment to improve our local communities.

## Quick Facts about Habitat for Humanity-North Central Georgia

Habitat-NCG, an affiliate of Habitat for Humanity, International, is an independent, locally run organization that is responsible for its own funding, family selection and education, land acquisition and development, and home construction. We have served over 1,300 family members through building or rehabilitating 300 homes and performing repairs on 44 homes for low-income seniors, veterans, and disabled adults. **In 2018, we start on our next 300 homes!**

## Building strength, stability, and self-reliance through shelter.

**Habitat-North Central Georgia** is a non-profit, Christian affordable housing ministry that builds affordable homes for purchase and performs critical home repairs for hardworking, low-income families in North Fulton, Forsyth, Cherokee, and Dawson Counties. Habitat keeps costs low for families by using volunteer labor and offering interest-free mortgages.

Habitat-NCG programs are open to all people, regardless of race, religion, color, or creed.

### House Sponsorships

House sponsorships help defray the costs of land acquisition, development, and house construction. A full house sponsorship is \$80,000, but most house sponsors fund a partial sponsorship, starting at \$5,000. House sponsors usually provide teams of volunteers. Each Habitat-NCG build takes 12-14 weeks, 10 of which require volunteers. Most sponsors prefer Saturday build days, but some weekday volunteer days are available.

### Home Repair Program Sponsorships

Our Home Repair Program is targeted primarily at income-eligible seniors on fixed incomes and veterans. We perform repairs for non-Habitat homeowners ranging from weatherization to exterior repairs such as siding replacement, painting, and landscape clean-up to critical repairs such as HVAC, roof, window, and deck replacement. Volunteer and sponsorship opportunities starting at \$1,000 are available for participation in this program.

## Sponsorship Levels

### Master Builder Sponsor—\$80,000+

Full house sponsorship with the opportunity to bring 25 volunteers every volunteer build day. Exclusive sponsorship recognition.

### Hammer Sponsor—\$40,000+

Opportunity to bring 25 volunteers on at least 5 build days. Logo used in all recognition.

### Foundation Sponsor—\$20,000+

Opportunity to bring 15-25 volunteers on at least 3 build days. Logo used in all recognition.

### Carpenter Sponsor—\$10,000+

Opportunity to bring 25 volunteers on at least 1 day

### Build Day Sponsor—\$5,000+

Opportunity to bring 10-15 volunteers on 1 build day

### Home Repair Sponsor—\$1,000+

Opportunity to bring 5-10 volunteers on at least 1 repair build day.

## Sponsorship Expectations

- Donate sponsorship funds at least 30 days prior to the First Nail Ceremony.
- Provide the agreed number of volunteers each designated build day.
- Ensure that volunteers register & complete a Volunteer Release & Waiver prior to the build day.
- Provide lunches & water for the sponsors' volunteers, Habitat-NCG staff, & partner family.
- Provide a primary contact to serve as a liaison with Habitat-NCG.
- Follow all safety rules and all instructions on the build site.
